Welcome Message

Dear colleagues and friends,

It is our pleasure to invite you to our Pediatric Hands-On Endoscopy workshop. Our previous international Training courses inspired us to be back again. We promise this will be a very distinguished event, with an exciting 1 day program, full of interactive sessions, live endoscopic demonstrations and hands-on training. General pediatricians, Gastroenterology specialists and consultants are welcomed. State of art management of common Pediatric GI problems will be brought to your hands. Basics and advances of GI Endoscopy, are going to be simply reviewed. Your questions and inquiries will be our priority.

Hand-on Stations (On Animals)

Eight stations

Three EGD Stations

- Diagnostic and dilatation
- Hemostasis(argon, hemospray, clips, band ligation, injection sclerotherapy)
- PEG tube

Three Colonscopy Stations

- Basic
- Basic
- Polypectomy

One ERCP Station

- Introduction, cannulation of different types of ampulla)
