Welcome

Dear Colleagues and Friends of the Pediatric Neurology Community.

On behalf of the International Conference of Pediatric Neurology (ICPN2018) organizing committee, we are honored to welcome you to attend the International Conference of Pediatric Neurology from 4th , April 2019 in Cairo - Egypt.

This conference is held by the Egyptian Neuropediatric Society (ENPS). One of the charitable aim of the society is to promote the health and quality of life of children with neurological disorders through the training and education of professionals working in the field of pediatric neurosciences.

The congress hopes to reach and unite professionals in pediatric neurology from all over the country by offering a program that is of national relevance and has a significant educational impact, and by facilitating participation of delegates from all countries.

The meeting will be of interest to all those involved in caring for children and young people with neurologic disorders.
