

25TH ANNUAL CONFERENCE OF THE EGYPTIAN SOCIETY OF PEDIATRIC GASTROENTEROLOGY HEPATOLOGY & NUTRITION

EGSPGHAN 2021

Honorary President of the Conference

Salah Shohieb

President of EGSPGHAN Society

Mohamed El Guindi

General Secretary of the Conference

Hani Ali Hussein

Presidents of the Conference

Hanaa El-Karaksy

Maha Abou Zekri

WELCOME

It is our great pleasure to invite you to the 25th Annual Conference of The Egyptian Society of Pediatric Gastroenterology, Hepatology & Nutrition (EGSPGHAN 2021) in collaboration with Pediatric Hepatology Unit, Pediatric Gastroenterology Unit and Pediatric Clinical Nutrition Unit, Cairo University. The conference will take place in Cairo in Grand Nile Tower Hotel the period from 11th 12th august 2021

This year we are tackling some of the common problems in Pediatric gastroenterology, hepatology and nutrition in the form of panel discussions with over 40 panellists participating over 2 days in this event, aiming to enrich the conference with a multitude of experts in the field.

Our guests from Europe will share in several plenary sessions and state-of-the-art lectures on hot topics in the field.

Industry-supported satellite symposia and exhibitions will announce what's new in R&D in the relevant fields.

We are bringing all this to your footsteps here in Cairo instead of travelling to faraway area. We chose to hold our conference this year in Cairo, in an attempt to have as much junior participants as possible, who might have no chance to join the conference if held in a remote resort.

See you soon in Cairo, Egypt.
