WELCOME

On behalf of the African Society of Organ Transplantation (ASOT), we are honored to welcome you to the 5th ASOT Congress, taking place from June 18 - 20 2026, at the Gewan Hotel , Cairo, Egypt.

This prestigious event is held under the esteemed patronage of His Excellency Prime Minister Dr. Mostafa Madbouly, and brings together distinguished professionals and leading experts from across Africa and beyond, to share the latest advancements in organ transplantation.

Together, we aim to foster scientific exchange, build networks of cooperation, and advance the standards of transplantation across the continent.

We are delighted to welcome you to Cairo — a city rich in culture, history, and medical legacy — and we look forward to your active engagement in the sessions, discussions, and collaborative spirit of this unique gathering.

Your presence and contribution are highly valued and vital to the success of ASOT 2026.

Warm regards,
The ASOT 2026 Organizing Committee

ASOT President
Gamal Saadi
